Desert King Windows

We Knock Out The Weather

Connor, Ron & Jayson Shortt

"Great customer service. Came out right away and repaired my door just like brand new! Thank you Desert King!"

-Rodney & Betty B. Glendale, AZ.

SERVICE... FOR LIFE!

All of our energy efficient products carry a manufacturer **LIFETIME WARRANTY. IF IT FAILS, WE WILL FIX IT...QUICKLY!**

Sleep well knowing Desert King's Service is just a phone call away. Please take a minute and read our reviews on the Better Business Bureau website. Quality Products and great service spreads good word of mouth. Customer referrals are the backbone of our business.

Jonathon Stapleton
AZ Project Manager

Desert King Lifetime Warranty

COMMON DOOR SIZES

In-House Installation Crews means NO Subcontractors and Total Accountability.

Finding that quality window and door that fits your individual needs is one thing, getting the perfect install is just as important. All of our installers are professionally trained master craftsmen. They must meet the highest standards that Desert King has set and maintained for over 25 years.

MOST HOMES CAN BE COMPLETED IN JUST ONE DAY

We finish with a complete clean-up. We even reinstall your blinds. We are so confident with our install crews, we ask for no down payment. Pay us when we are done. When all responsibilities are under one roof, accountability rises. Our quality product and workmanship will remain long after the price is forgotten.

James Cataldo
Chief Operations
Officer

Award Winning Company

Desert King Windows has been recognized as a NextDoor App's Neighborhood Favorite after being the most recommended window and door company. The awards don't stop there! We were also voted the Best of the Desert by consumers, beating out the big national name brands.

"We got 3 bids and it was a no-brainer! Very professional company with a great product at a great price!"

*-Brian and Barbara S.
Henderson, Nevada*

Many companies folded during the 2009 recession making their customers' warranties worthless. During the difficult time Desert King Windows not only survived, we grew! You can relax knowing we'll be here for you.

More About Us

The Anlin Promise

Is a Balance of Excellence, Responsibility and Love for the Home

The 5 Star Difference

- ★ Energy Efficient Windows and Doors Made in America
- ★ A Green Company and Green Product Manufacturer
- ★ Leading Edge Energy Saving Technology
- ★ High Tech Security Glass for Home Protection
- ★ Antimicrobial Features for Healthier Living
- ★ Exceptional Quality, Safety, Service and Design
- ★ Only 5-star Consumer Rated Window and Door Manufacturer

"I'm an engineer. I am very thorough when researching companies and products. I found Anlin was the best window manufacturer and Desert King is the best installation company I could find. Easy choice!"
-Eddie B. Tempe, AZ

Full Anlin Brochure

Anlin Antimicrobial Mesh & Watershed Coating

Anlin screens are infused with antimicrobial protection, providing clearer viewing, better airflow, insect protection and watershed technology.

Anlin Ventilation Latch

Anlin windows with even sightline frames include a built-in ventilation latch. This allows an opening space of a few inches, while providing a semi-secure opening.

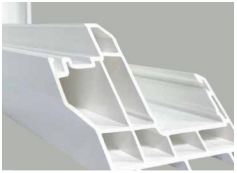

Anlin Safety and Security

All lock hardware is securely attached to metal reinforcement and a continuous interlocking rail prevents "jimmying" or access to the lock. All windows and doors pass the most stringent forced entry resistance test.

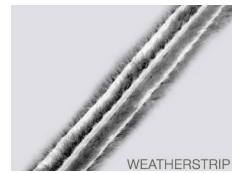

Anlin Premium Features

Anlin XTRU Architectural Frame
Anlin XTRU formula with innovative design, provides superior thermal values.

Anlin High Quality Smooth Operation
High-quality rollers and a constant-force stainless steel balance system ensures smooth operation of sliding and hung windows.

Anlin Weather-Tight Seal
Antimicrobial triple-fin weatherstrip with four barriers of filler provides a weather-tight seal blocking more wind, dirt, bacteria, moisture and sound.

Full Window Brochure

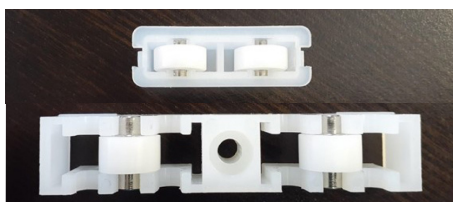

Do you like supporting local, family owned businesses like we do? Are you looking for windows or doors that have a modern, contemporary, or commercial look? If you answered 'yes' to any of these questions, then Coeur D'Alene Window Company in Kingman, Arizona might be the manufacturer for you!

Solid Construction

The 3000 Series is the most popular solution for modern or contemporary style homes. This series features a heavy duty rigid frame allowing for larger sized units.

Colors: Coeur D'Alene Windows are available in a number of exterior colors including white, adobe, bronze and black. We also offer interior finishes and custom colors.

"I didn't want steel windows because of the heat transfer. With Coeur D'Alene I was able to get the steel look but in an energy efficient vinyl material"

-Aimee S. Gilbert, AZ

COEUR D'ALENE DOORS

6000 SERIES

With the 6000 Series Door from Coeur d'Arlene, you can enjoy U-values as low as .20, exceeding Energy Star's definition of a Super Window. In Addition, the 6000 Series Door is rated a PG-20 all the way up to a 20' X 10' multi-slide configuration (AAMA/FGIA). The 6000 Series is a door that architects, engineers and homeowners can love.

Multi-Track Sliding Doors (6000 Series)

- 1) Available internal mini-blinds.
- 2) Optional Genius Retractable Zig-zag screen.
- 3) Standard HD Extruded screen frame.
- 4) Heavy duty quad rollers.
- 5) Full metal threshold and roller track.
- 6) Available energy maximizing triple pane glass.

- Dual Pane- 33-35
- Dissimilar Glass- 35-40
- Laminated Glass- 42-45

Glass Ratings

Glass	UV	IR Heat	Visibility	SHGC	U Factor
Clear	58%	65%-70%	82%	0.78	0.48
270	14%	8%-10%	70%	0.37	0.25
340	2%	1%-3%	39%	0.18	0.25
366	5%	1%-5%	66%	0.27	0.24
425	1%	1%-3%	52%	0.22	0.24

- "Clear" is dual pane, no lowE coatings nor Argon gas fill.
- UV is UV rays penetrating the glass
- IR is infrared heat penetrating the glass
- Visibility is % of light penetrating the glass
- SHGC is the Solar Heat Gain Coefficient

Premium Glass Features & Upgrades

Sound Reduction Glass
(Dissimilar Glass)-combines 2 different thicknesses of glass to damper different sound frequencies.

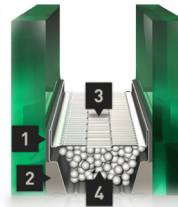

Laminated Glass
The pinnacle of safety and security while boosting the window's noise reduction capabilities.

Tempered Glass
Required in high breakage areas, this glass is 4X stronger than traditional glass and will break into thousands of little harmless pieces.

ENDUR IG®

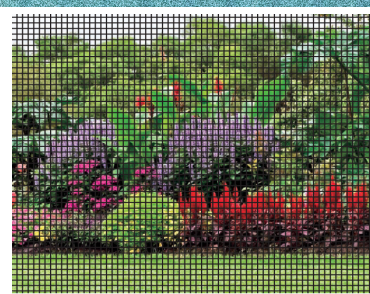

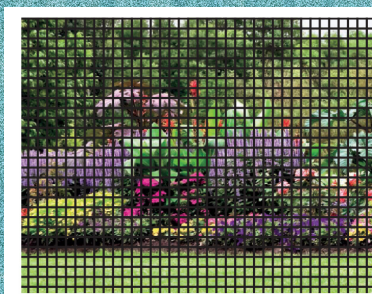

- 1 Primary Seal:** Polyisobutylene (PIB) minimizes moisture permeation, is UV resistant and provides an outstanding argon barrier.
- 2 Secondary Seal:** Specifically formulated silicone for IG units provides long-term adhesion, is unaffected by UV exposure and provides excellent durability when exposed to moisture. Silicone also provides structural integrity.
- 3 Spacer:** Stainless steel spacer features a roll form design to provide maximum area for primary and secondary sealant coverage. It provides increased resistance to condensation and less stress on IG seal system. No polymer content eliminates the risk of chemical fogging.
- 4 Desiccants:** Beaded molecular sieve provides initial frost points below -65°F. Desiccant assures optimum moisture adsorption while minimizing the effects of temperature-related pressure changes.

Neat+ is a durable, permanent coating made of titanium dioxide (TiO₂) that reduces the ability of dust and dirt to stick to the glass.
